

## Engineered Wood Floor

● Teak

● Asian Teak

● Iroko

● Burma Padauk

● Santos Mahogany

● Sapelli

● Maple

● Black Walnut

● Chestnut

● Zebra

● Ash

● Tiger Wood

● Jatoba

● Oak

● African Walnut

● Hard Teak

### Technical Data For Engineered Wood Floor

- Size: 910-1200mm(L)X125mm(W)X15mm(T)  
910-1200mm(L)X125mm(W)X12mm(T)
- Veneer: 0.6mm, 2mm, 3mm, 4mm
- Structure: multilayer-ply assembly of 100% real wood are cross-grain constructed for superior strength, dimensional stability, and durability.
- Precision milling Square Edge/Ends, Tongue-and-Groove construction locks each plank firmly in position.
- Finishing: Factory-finished engineered plank with ten coats of ultraviolet-cured, aluminum oxide urthane.
- Hardwood flooring is a natural products, many wood species have a wide range of color and grain variation. As a result, no two planks are exactly the same, even within the same species.
- wood also can provide different models of trim and other Flooring Accessory

## Handscraped Wood Floor

● Oak Amber

● Oak Dark

● Asian Teak(Coffee)

● Oak Distressed

● Maple Light

● Maple Dark

● Maple Medium

● Cherry Red

● Cherry Brown

● Hickory Light

● Hickory Dark

● Hickory Medium

● Acacia Medium

● Acacia Light

● oak medium (solid)

● Oak Light (solid)

### Technical Data For Handscraped Wood Floor

- Size: 600-1200mm(L)X125mm(W)X15mm(T)
